## **Disaster Unemployment Assistance Available for Workers in 15 Counties**

*Workers affected by Texas severe storms can apply for assistance*

AUSTIN –The Texas Workforce Commission (TWC) is accepting applications for Disaster Unemployment Assistance (DUA) as a result of the Presidential Disaster Declaration (FEMA 4245-DR) for workers who lost their jobs and self-employed individuals who have been unable to work due to damage sustained from the severe storms, tornadoes, straight-line winds and flooding during the period of Oct. 22-31, 2015. Severe weather, including destructive flooding, has devastated multiple counties and hundreds of homes and businesses have been lost, resulting in disaster-related unemployment. Applications for DUA must be submitted by Jan. 6, 2016. TWC’s website contains more information about [Disaster Unemployment Assistance](#).

Individuals affected by the recent severe storms in these counties can apply for benefits online through [Unemployment Benefit Services](#) or by calling a TWC Tele-Center Monday through Friday between 8 a.m. and 5 p.m. at 800-939-6631. Individuals should specify that their applications are related to the damage caused by severe storms, tornadoes, straight-line winds and flooding in Bastrop, Brazoria, Caldwell, Comal, Galveston, Guadalupe, Hardin, Harris, Hays, Hidalgo, Liberty, Navarro, Travis, Willacy and Wilson counties.

DUA, which is unemployment insurance benefits made available especially for victims of disaster, is available to individuals who:

- Have applied for and used all regular unemployment benefits from any state, or do not qualify for unemployment benefits
- Worked or were self-employed or were scheduled to begin work or self-employment in the disaster area,
- Can no longer work or perform services because of physical damage or destruction to the place of employment as a direct result of the disaster
- Establish that the work or self-employment they can no longer perform was their primary source of income
- Cannot perform work or self-employment because of an injury as a direct result of the disaster
- Became the breadwinner or major support of a household because of the death of the head of household

Individual assistance provides affected residents and businesses in the aforementioned counties access to federal disaster aid programs including unemployment benefits for workers who temporarily lost jobs because of the disaster or self-employed individuals. The disaster declaration applies solely to Bastrop, Brazoria, Caldwell, Comal, Galveston, Guadalupe, Hardin, Harris, Hays, Hidalgo, Liberty, Navarro, Travis, Willacy and Wilson counties. Applications filed after Jan. 6, 2016, will be considered untimely, unless the individual provides good cause for applying after the deadline.
